WASTE COLLECTION MAPS:

The Township of St. Clair offers **weekly** garbage, **bi-weekly** recycling and **seasonal** yard and brush collection. Throughout the calendar these collections are indicated by symbols shown on the bottom of each month.

Never miss another collection day. Download the FREE "Recycle Coach" app

Please note: Events are subject to change due to Covid 19.

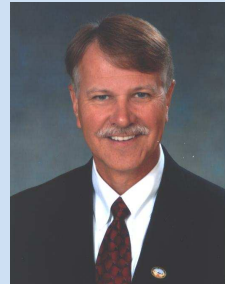

Message from Mayor Arnold

This is our 12th annual community calendar and it is full of information that will help you participate in the many programs offered by St. Clair Township.

It is up to all of us to play a role in reducing the waste that ends up in the landfill and this calendar will help you dispose of household waste through the proper channels. All of the collection rules are included in the following pages.

We have included many facts you and your family will find useful, important phone numbers, Councillor names and where you can reach them, websites to answer questions, and various community events.

I encourage you to hang this calendar in a place where your family can frequently refer to it - **Steve Arnold, Mayor**

Cover Photo Location: Courtright River Park

COLLECTION RULES

For general inquiries and questions regarding waste and recycling, call St. Clair Township Civic Centre 519-867-2993.
Questions and/or concerns if wanting to contact contractor directly, call:
Waste Management 1-800-665-1898
Emterra 1-866-628-0735

Missed collections are upsetting, but there is usually a reason why material was not collected as expected. View Waste Collection in full on www.stclairtownship.ca.

Ensure your materials are collected:

- In acceptable containers, plastic garbage bags, a container constructed of metal or plastic with external handles. Industrial totes and barrels will **not** be collected. Do not attach lid to container (zip tie, rope, etc) cardboard containers are not acceptable for household waste.
- Placed roadside by **7:00 a.m.** on scheduled day of collection (see maps page 1 and 2) within one metre of curb/road edge.
- Household waste in containers must be bagged securely, materials cannot be loose in container. This does not include recycling or yard waste.
- Within the weight limit of 23kg (50 lbs) and **limited to six (6) items**. Two (2) of six (6) items can be bulk, and will be recorded and picked up separately from regular waste.
- Not hidden behind a vehicle, snow bank, or other obstruction

- Free of prohibited content (e.g. hazardous materials, needles, animal remains, vehicle parts, tree stumps, construction/renovation waste).
- Place waste containers and recycling separate from each other (do not mix).
- Single sided collection of waste will be completed on rural roads; except for the following – Bentpath Line, Brigden Rd, Courtright Line, Kimball Rd, Lambton Line, Oil Springs Line, Petrolia Line and Stanley Line, these will continue to be collected on both sides of the road. For all other rural road, please place receptacles on the mailbox side of the road.

Other reasons for missed collections are:

- Non-recyclable item in Blue Box (see page 15 Recycling Guide).
- Household/yard waste in Blue Box.
- Recyclables not scheduled for collection that particular week.
- Not in an acceptable receptacle (see page 15).

For updates on information related to Public Works, follow us on Facebook @stclairtwp

"TREecycle"

Take your Christmas tree to the curb by **7:00 a.m.** on January 10, 2022 and January 9, 2023, the special tree recycling day. Remove all decorations, lights, wire, tree skirts, stands, tinsel, fake snow, and make sure the tree is not in a plastic bag. Place the tree at the curb on the collection day marked with a Christmas tree.

January 2022

For updates on information related to Public Works, follow us on Facebook @stclairtwppw

In accordance with St. Clair Township By-law #78 of 2001 vehicular parking is prohibited on all roads and streets within the Township between the hours of 2:00 am and 6:00 am from December 1 to April 1.

2022 HOUSEHOLD HAZARDOUS WASTE

Last Saturday of the following months

9:00 am - 2:00 pm
March, April, May,
June, September, October

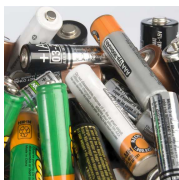

Look for this symbol for collection days

Services are paid for by the **County of Lambton**. The waste management collection services are provided by **Clean Harbors Canada Inc.** located at 4090 Telfer Rd. This service is intended only for **household hazardous waste only**.

Materials accepted are: Batteries, Drain Cleaner, Oven Cleaners, Pesticides, Rat Poison, Pharmaceuticals, Cleaning Fluids, Pool Chemicals, Ammonia, Bleach, Aerosols, Gasoline, Paints, BBQ Starter, Oil, Solvents, Propane Cylinders.

Drop off materials at Clean Harbors at 4090 Telfer Rd.

Household Hazardous Waste Days are held to ensure proper disposal of hazardous materials at NO COST TO YOU. **For full details visit www.lambtononline.ca**

For safety reasons, residents are asked to segregate lithium batteries from all other battery types prior to drop-off.

ARE YOU PLANNING ON DIGGING???

Excavating for an addition, a new deck or pool, installing fence posts, landscaping or planting a tree?????

what you can't see can hurt YOU!!!!

CALL BEFORE YOU DIG 1-800-400-2255

week 1 recycling collection

week 2 recycling collection

THINK BEFORE YOU FLUSH !!

Products labeled "flushable" need to be disposed of in the garbage, NEVER down the toilet.

Only Flush The Three "P"s PEE, POO AND TOILET PAPER

Your toilet is not a garbage can!!! Items such as diapers, baby and personal wipes, hair, dental floss, condoms, feminine products, paper towel, medications, grease or fats from food can result in the back up of the sewer line into your home or create problems at the wastewater pumps and treatment plant.

Prevent FOG (Fats, Oil & Grease) in Our Sewers

FOG (fats, oil & grease) is the most common cause of sewer back-ups. FOG is a by-product of cooking and can be found in butter, margarine, salad dressing, gravies, sauces, lard, shortening, baking goods, meat fats and dairy. DO NOT pour FOG down the sink, drain or toilet.

YOUR SANITARY CHARGE IS GOING DOWN THE DRAIN!

The rising cost of sanitary is a result of many factors including operations and maintenance of facilities, infrastructure, treatment of wastewater and meeting legislative requirements.

Every time you use water it has to go somewhere. Water from flushing, showering, laundry and the kitchen sink flows into the municipal sanitary sewage system and to the wastewater facility for regulated treatment and later released into the environment.

LEAKY TOILETS WASTE LITERS OF WATER:

1. Read your meter before and after a two hour period when no water is being used. If meter read has gone up, there is a leak.....
2. Check toilet tank leaks by adding food coloring to the tank. If leaking, colour will appear within 30 minutes. Check toilet for worn out, corroded or bent parts and replace. (flush when test is done, food colouring may stain tank)
3. If toilet flush handle sticks in the flush position, water will run constantly, replace or adjust it.

WATER FLUSHING:

Routinely Public Works will be flushing fire hydrants connected to the St. Clair Township water system. During this routine maintenance procedure you may notice some discolouration using your taps, flushing toilets, doing laundry etc. as some sediment may be drawn into your residence. We recommend that you run the cold water tap for a few minutes or until the discolouration disappears. If discolouration of the water continues after 1 hour of normal use, please notify Public Works at [519-867-2993](tel:519-867-2993).

March 2022

Have a Question?
Consult the back cover.

ST CLAIR RIVER TRAIL:

St Clair River Trail will be closed Nov 30 to April 15.
Trail will not be maintained during this time.

YARD WASTE COLLECTION 2022

The Township of St. Clair offers a yard waste/brush collection program for defined areas in order to reduce the amount of compostable material directed to the landfill site.

"**Yard Waste**" is collected separately from regular waste on a weekly basis in urbanized areas of the Township (**collection begins at 7 a.m.**).

WHAT IS YARD WASTE?

Yard waste includes the following: grass, leaves, garden plants and loose hay (not baled)

Not permitted: woody stems from ornamental grasses and wood plants, kitchen waste, earth, stones, walnuts, pinecones, wood mulch, tree stumps, logs, body wood, large brush and whole shrubs with root ball attached.

Yard waste placed at the roadside for collection must be bagged in paper bags or open containers with handles clearly marked with an "X" on both sides, and must be free of all non-compostable material such as plastic, glass, metal, or other debris. Open containers **DO NOT INCLUDE:** blue boxes or cardboard boxes. Containers must not exceed 23kg/50lb. Sticks/Branches larger than a lead pencil **MUST** be bundled. Please do not put them in paper bags or loose in open containers. This could result in rejected collection.

Yard waste placed in regular garbage bags will **not be collected**. Yard waste in clear plastic bags will **not be collected** during yard waste collection dates.

COLLECTION SCHEDULE:

Collection will be on Monday or Wednesday each week, depending on the service area. Spring Collection begins week of April 25th and ends week of June 20th. Fall Collection begins week of October 17th and ends week of November 21st.

Monday: (South Township)

- Streets West of St. Clair Parkway/Lyndoch St. (Corunna)
- Curran St. and Froomfield Area
- Brigden, Courtright, Mooretown, Port Lambton
- Sombra Village, Wilkesport, Chenal Ecarte, Leeland Gardens
- All of St. Clair Parkway/Lyndoch St.

N

Wednesday: (North Township)

- Corunna- everything East of Lyndoch St./St. Clair Parkway

S

**Collection
may be
delayed due
to volume!!**

May 2022

Join us on Friday nights for a casual game of golf with great dinner specials offered after your round. Singles, Couples, Everyone is invited.

What is **Yard Waste** and what is the schedule for collection??? Check out the information above, **OR** go to the website www.stclairtownship.ca

FROZEN METERS AND PIPES

Preventative measures are best, but if you suspect your pipes are frozen check the following:

- Most likely the pipes near an outside wall, door or window are frozen. Start by opening a faucet near the frozen pipe to avoid a burst line when water starts flowing.
- NEVER use a blowtorch or open flame to thaw a line.
- Begin by warming the pipes using a blow dryer, heating pad or portable heater (Do not place near flammable materials)
- Once water starts flowing allow a small stream of water to continue until heating is restored
- Eliminate drafts and allow heat to circulate to avoid refreezing.

WATER DEPARTMENT

Office Hours:

Monday - Friday
8:30am - 4:30pm
519-867-2128

After Hours Emergency

1-888-441-4204

PREVENTATIVE

Frozen water meters and water pipes can stop your flow of water and may be costly to repair. Property owners are responsible for protecting water pipes and meters from damage.

- Eliminate cold drafts near water pipes
- Turn off service to external water taps
- Make frequent use of your water supply

WHEN TEMPERATURES STAY BELOW FREEZING:

- Give pipes a helping hand**
If pipes run through cabinets or vanities, open the doors to let warmer room temperatures flow in.
- Keep water working**
Keep water moving through the pipes by allowing a small trickle of water to run. The cost of the extra water is typically lower than the cost of repairing a broken pipe.

BUT IF YOUR PIPES DO FREEZE:

- Shut off the water immediately**
Don't attempt to thaw pipes without turning off the main shut-off valve.
- Thaw pipes with warm air**
You can melt the frozen water in the pipe by warming the air around it with a hair dryer or space heater. Be sure not to leave space heaters unattended and avoid the use of kerosene heaters or open flames.
- Be careful turning water back on**
Once pipes are thawed, slowly turn the water back on and check pipes and joints for any cracks or leaks that might have been caused by freezing.

 week 2 recycling collection

RECYCLING GUIDE

Please ensure that materials are placed at the curb by **7 am**. The Township offers **Single stream** (also known as "fully commingled" or "single-sort") recycling. **Single Stream** refers to a system in which all paper fibers, plastics, metals, and other containers are mixed in a collection truck, instead of being sorted by the resident into separate commodities (newspaper, paperboard, corrugated fiberboard, plastic, glass, etc.) and handled separately throughout the collection process.

In **Single Stream**, both the collection and processing systems are designed to handle this fully commingled mixture of recyclables, with materials being separated for reuse at a materials recovery facility. Recycling will only be collected in blue recycling bins. Industrial Totes will not be collected for residential. Blue Boxes are available to purchase at the St. Clair Civic Centre Public Works for \$9.25.

METAL & ALUMINUM CANS

Included: Pop, beer, juice, food and pet cans (rinsed), metal paint cans (empty, dry, lids removed), Aluminum Foil wrap, aluminum plates and trays (cleaned of any food or food residue)

Not Included: Metal pots, coat hangers, oil filters, sheet metal and toys, aerosol cans, auto parts, cutlery, propane & helium containers

CLEAR AND COLOURED GLASS

Included: Beverage containers, pop bottles, any clear or coloured food jars (rinsed)

Not Included: Light bulbs, mirrors, dishes, ceramics, sheet glass and broken glass

PLASTICS

Included: All plastic containers coded #1, #2, #4, #5, #6, #7, pop & water bottles, dish soap & bleach bottles, liquor, mouthwash & cooking oil bottles, peanut butter containers, yogurt & margarine containers, juice & vinegar bottles, clean trays, grocery clam shell containers (rinsed), K-cups (emptied & rinsed), prescription bottles (over 2 inches)

Not Included: Plastic bags, toys, containers without markings on bottom, motor oil containers, hanging flower containers, flower pots, trays & planters, blister packaging, plastic wrap around water bottles & pop/beverage cases.

Return to Vendor Locations for Household Electronics and Hazardous Waste

- Visit the Electronic Recycling website to find the nearest drop off locations: www.epra.ca
- Visit the County of Lambton website to view the 2021 Household Hazardous Waste depot schedule www.lambtononline.ca

NEWSPAPER:

All newspapers and flyers, coloured and black and white

Fibre or Paper Products:

Included: Computer paper, office paper, envelopes (white or coloured), paperback books, catalogues, telephone books, ad mail, bills, statements, flyers, magazines, fast food take out trays, milk & juice cartons (rinsed)

Not Included: Carbon paper, hard cover books, blueprint paper, facial tissue, toilet paper, paper towels, laminated paper, artwork, paper with foreign material attached, cards with foil, plastic, ribbon or lamination.

CARDBOARD & BOXBOARD:

Included: 30" x 30" x 8" flattened cardboard (bundled) i.e. tissue box, cereal box, shoe box, milk cartons, juice boxes, tetra packs, laundry detergent and packing boxes, paper cores, fast food drink containers (without lid & straw), egg cartons, clean pizza boxes

Not Included: Boxes containing any food or food residue i.e. pizza box with toppings stuck to lid, waxy cardboard

To help promote recycling, St. Clair Township offers Blue Boxes to you. They are available for purchase at the Civic Centre for \$9.25

**Thank you for your continued support
of our waste reduction program**

Download the FREE "Recycle Coach" app

www.stclairtownship.ca

22 Gallon
bins available
at township
offices for
\$9.25
Lids available
as well for
\$3.50

32 Gallon Bins with lids
available at local home
building stores

**Industrial totes & bins
larger than 32 Gallons
are not acceptable for
residential.**

Do not overfill bins, loose is better and keeps items from getting stuck in box. If ice/snow are in blue boxes it can make them too heavy to collect.

Styrofoam is not collected with recycling in St Clair Township. Put out with Waste.
