HANDY VOLUNTEERS NEEDED AT MOORE MUSEUM

The activities and projects Moore Museum volunteers work on vary widely; from wood working, vehicle maintenance, building maintenance, and display preservation work, to assisting with museum events, the museum staff and its volunteers work to preserve and share the history of St. Clair Township. The only qualification our volunteers require is the will to help us make Moore Museum a place where local history lives and thrives.

Recycle used batteries at Lambton County Libraries

Lambton County Library has partnered with *Call2Recycle Canada, Inc.* to host battery recycling collection boxes in select Lambton County Library locations to encourage the proper disposal of used batteries.

Anyone wishing to recycle batteries must prepare them for recycling by following the *Call2Recycle* guidelines, which include bagging the battery in a provided

clear bag or taping over the battery's terminals before depositing them in the *Call2Recycle* collection boxes. Lambton County residents can drop off their used single-use and rechargeable household batteries (weighing up to 5 kg each) at the following Lambton County Library St. Clair Township locations: Brigden, Corunna, and Petrolia.

Lambton County Library branches offer much more than books

Your Lambton County Library lends out much more than hard copy and online books: the Library's *Active Living Lifestyle* collection loans out a number of items to keep Lambton County moving. Enrich your wanderings through nature or just your neighbourhood by borrowing a pair of walking poles, go bird-watching with a set of Tasco 10x42 binoculars, find out how many steps you take with a borrowed pedometer, then find out where you are with a GPS unit. These are available to those who have a current Lambton County Library card, which is free to anyone who lives, works, studies, or owns property in Lambton County, or who resides in a First Nations community. For more information on locations, services, and hours of operation, visit: lclibrary.ca.
